Inspiring interviews from some of America's most fascinating, faith-driven personalities!

Jennifer Sedlock joins Dr. Robert Schuller, Dave Dravecky and Ann Jillian in this soon-to-be-released book on Faith!

**Jennifer Sedlock**, of Carlsbad, CA, has been hand-selected through a nationwide search to be a featured author in “Conversations On Faith” from Insight Publishing, to be released in Fall 2004. Also featured in this dynamic collection of interviews are **Dr. Robert Schuller** (world renowned evangelist and best selling author), **Dave Dravecky** (former Major League baseball pitcher and founder of Outreach of Hope) and **Ann Jillian** (Broadway, Motion Picture and TV actress, spokesperson and motivational speaker).

This exciting series captures the insights, strategies, and inspiration of faith-minded people and features the transcribed interviews of eighteen dynamic professionals who offer powerful lessons in faith.

Jennifer Sedlock is a professional speaker who has worked with over 50 organizations nationwide. She brings nearly 20 years of management and training experiences into her motivational presentations and educational programs. Sedlock earned a Business degree from the University of California, Berkeley and a Master's degree in Organization Development from the University of San Francisco. “Running Toward Your Dream” and “Discovering Your Gifts” are her most requested programs. For retreats she presents how your Myers-Briggs® personality type affects your prayer and worship style. Jennifer would be honored to speak at your next event!

In today's troubled world, “Conversations On Faith” is the perfect book for people wanting to refresh their faith and renew their strength. Reserve your copy today!

*“These are fabulous interviews! Great reading for busy people who are looking for fresh perspectives and relevant motivation for people of faith”*
